

Press release

Webhosting – now with StarPicturebox

7 September 2010 / 4.00 p.m.

Hoststar offers comprehensive webhosting packages with innumerable features and benefits. Apart from a massive selection of images, the newest feature „StarPicturebox“ offers Hoststar customers a detailed search function plus a bonus for purchasing images!

Take advantage of StarPicturebox when designing your website and choose just the right images from the 10 million or so available.

StarPicturebox is a tool for Hoststar customers that was created in collaboration with one of the world's largest photographic agencies – „Fotolia“. All Hoststar customers get 15% bonus for purchasing images! And this is all without royalty fees or recurring costs!

All images can be used for various applications such as:

- * website design
- * creation of newsletters or icons
- * production of printed media
- * advertising

StarPicturebox is available to you in your my.hoststar area under Additional Services/Bonus Pack.

Hoststar – a brand of the Multimedia Networks AG – stands for innovation, expertise and dynamism, and was founded in 1996. The Multimedia Networks AG has developed positively every year since then and is today one of the ten largest Swiss hosting providers. The company operates 480 servers with ultra-modern technology in data-processing centres in Switzerland, Germany and Austria. The entire infrastructure is monitored in our NOC (Network Operating Center). Hoststar attaches great importance to training and constantly puts this into practice in its own Learning Center. SMEs, private individuals, associations and public authorities are now part of our customer base and greatly appreciate our reliable service. The company currently takes care of 70,000 domains at home and abroad.
