

Press release

New reseller offers – more options

23 March 2009 / 10.00 a.m.

Due to great demand, we are presenting new offers for resellers!

Enormous interest and many inquiries have motivated us to put together a new product portfolio in the reseller area.

Today, we present you the revised and expanded product packages - **resellerentry**, **resellerbiz** and **resellerplus**. These replace the hitherto available products R1 and R2.

Take advantage of new opportunities as a reseller and present your customers with even more attractive offers.

Visit our website and look at the detailed information in the 'Resellers' section about your benefits as a Hoststar reseller. We look forward to hearing from you!

Hoststar – a brand of the Multimedia Networks AG – stands for innovation, expertise and dynamism, and was founded in 1996. The Multimedia Networks AG has developed positively every year since then and is today one of the ten largest Swiss hosting providers. The company operates 480 servers with ultra-modern technology in data-processing centres in Switzerland, Germany and Austria. The entire infrastructure is monitored in our NOC (Network Operating Center). Hoststar attaches great importance to training and constantly puts this into practice in its own Learning Center. SMEs, private individuals, associations and public authorities are now part of our customer base and greatly appreciate our reliable service. The company currently takes care of 70,000 domains at home and abroad.
